Cooperative Training Final Report

Anas Ahmed Alamri · Supply Chain Analyst Trainee · Eastern Logistics Co.

1. Introduction

This report summarises my cooperative training with the supply chain team at Eastern Logistics Co. in Dammam.

2. Tasks

Tracking inbound shipments, reconciling warehouse stock counts and preparing the weekly KPI summary for the warehouse manager.

3. Achievements

I built a weekly KPI sheet that the warehouse team now uses to follow stock accuracy and late deliveries.

4. Skills gained

Excel reporting, inventory control, teamwork with operations staff and professional communication.

5. Conclusion

The training connected what I studied in Business Administration with real logistics work.
